Mileage Plus®

Stars - and Stripes - Service

In today's hyper-competitive, globalized world, recognition doesn't always come easy; you have to stay on top of things. As General Manager of United Airlines Thailand, Eric Wilson, points out, "You are only as good as your last flight."

United's dedication to each and every flight - in terms of value, comfort and service - has won the U.S. carrier plenty of recognition. Take United Mileage Plus: both *Travel Savvy* magazine and *Business Traveller* have named it the best frequent flyer program - the latter for 10 years running. In addition, they've also ranked United Red Carpet Clubs® as the best airport lounges; *Business Traveller* added 'Best Premium Economy' for Economy Plus® class of service to the list of kudos.

Singing their praise won't slow United down. Here's what you can expect:
