happy aromas

Deep Comfort, a Clinique body lotion has combined with a popular range of fragrances, also from Clinique, to create **Scented Body Butter**, a new sensual experience. Body Butter stays true-to-form to moisturise dry skin while capturing the soft scent of Clinique's fragrances, which include Clinique Happy, Clinique Happy Heart and Clinique Simply. Indulge in some personal aromatherapy that treats both the senses and the skin. www.clinique.com

beauty on board

La Mer & Lambertson Truex have joined force to create the ultimate travel accessory: a handy carry-all shoulder bag for La Mer products, devoted to those who love travelling, but not without their lotions and potions. Cramming in all La Mer essentials: Crème de la Mer, Moisturising Lotion, Eye Balm, Mist, Hand Treatment and Body Lotion, a storage pouch also contains special compartments for a handheld organiser and mobile phone. www.lamer.com

who's afraid of night visitors?

Shu Uemura introduces **B-G Recharging Night Cream**, a new recharging cream to revitalise Langerhan cells in order to boost collagen generation and skin resistance. Langerhan cells protect the skin from various external stimuli throughout the day, and at night increase the skin's metabolism for regeneration. The cream contains Advanced Night Lipid, a wrapping effect that enables the skin to charge energy by sealing ingredients inside it. The skin should regain its innate beauty before the next morning. www.shuueamura.com

lift me up

Smiling, laughing, lifting an eyebrow, frowning or scowling - we use these facial expressions countless times every day. **SK-II Facial Lift Emulsion** was created to nourish the skin and help to stop 'expression lines' from developing into permanent fixtures. A milky emulsion with active ingredients such as HydroProline, SK-II and Emollients work together efficiently to keep skin tangibly softer, smoother, clearer, and free of expression lines. www.skii.com

harvest that beauty

Lavender was well known to the Romans, and was used to perfume bath water and clothing. To celebrate the 2004 harvest, L'Occitane introduces a new line of lavender-centric products that allow the lavender lover to indulge in purifying care from head to toe. Scented products include Fizzy Bath Pebble - a relaxing fragrance for bathing, Clarifying Shampoo - a gentle purifying cleansing treatment to refresh normal to oily hair, Detangling Conditioner - a conditioner to detangle hair, and cleansing hand gel to complete the purifying treatment. www.loccitane.com

the joybook club

An incredibly lightweight (1.95kg) machine, and the closest a PC comes to an Apple in terms of design. With an outstanding alloy exterior, the **BenQ Joybook 7000** endeavours to fit with the lifestyle of the modern user and boasts the world's first 14 inch wide-screen on a laptop PC. QMedia software applications such as QMedia Center for multimedia entertainment, QMusic for music enjoyment and QCamera for photo/film editing are fun to use. www.benq.com

posh studs

What combines Yin-Yang philosophies with David Beckham? The new Adidas special edition **David Beckham PredatorPulse** football boot, that's what! With a silver left shoe; signifying 'strength and smoothness,' and a red kicking shoe representing 'power and passion,' these funky boots reflect the passion that football generates in both Beckham and millions of his fans. www.adidas.com

i'm all tied up

An über-elegant **Dunhill Belt Collection** joins the autumn/winter 2004 line-up. 18-carat pink gold is used for the stylish belt buckle, and for a more relaxed and sporty look, the range includes the popular driving belt in canvas, and a perforated leather belt which draws its inspiration from the iconic Dunhill driving glove. Belt up and travel with style. www.dksh.com

...and i have a yoga habit

Celebrating their 40th anniversary, **Habitat** asked experts in a range of fields, including acting, sport, fashion, architecture, literature, music, business and dance to create their own product designs. One of these, the **Yoga Mat and Pillow** designed by **Deepak Chopra M.D.**, an expert in yoga therapy, is made from natural latex and comes in orange and pink, with the lotus print forming the pattern. www.habitat.co.uk
